

# **Pumpkin Patch Creation**

## **Volunteer Day**

### **Saturday, May 14, 2016 @ 9am**

**Dunham Families!**

**If you haven't heard the good news yet, the Dunham Garden program is designing a pumpkin patch for next school year. Our goal is to grow 1 pumpkin for each Dunham student.**

**Starting at 9am, Saturday, May 14, come help us put up the fence, irrigation and create mounds of soil, compost, and manure for our Pumpkin patch.**

**If you have any of these tools please bring them:**

- **Wheelbarrow**
- **Rakes**
- **Hoes**
- **Shovels**
- **Measuring Tapes**

**Don't forget to bring your gardening Gloves, Sun Hat, and Sunscreen! The more helpers the merrier! There will be a volunteer sign-up sheet in the office, or you can call to RSVP at (707)795-5050.**

**Thank you for all your help!**

**-Miss Lindsey, Garden Teacher**
